MODERN TROPICAL VILLAS

LIVE IN TRANQUILITY.

STEPS FROM WORLD-CLASS BEACHES, RESTAURANTS AND SHOPPING.

These stunning tropical villas are nestled in a prime location in Akumal between Tulum and Playa Del Carmen right across from the World famous Xpu-Ha beach, so you get to enjoy the best of both worlds – deep nature with lush, tropical jungle and white sand beaches with palm trees just down the road .

Each private villa has 3 or 4 bedrooms, 2 full bathrooms, in unit laundry, and a spacious terrace for total relaxation.

This development is surrounded with a beautiful hand-selected jungle garden, a stunning pool that spans nearly the length of the development, giving all homes an fantastic pool view, a grill and chill area under the Palapa & your own private parking area.

INVESTMENT

RIVIERA MAYA ECONOMIC SNAPSHOT

- » Strong transport connections: Cancun and the NEW Tulum International Airport are both accessible from almost every major city in the world.
- » Mexico is one of the most attractive countries for investors because it has the highest ROI in North America.
- » The Riviera Maya is the most popular destination in the world and Cancun is setting new tourism records month after month.
- » There is ongoing construction of luxury shopping centers, golf courses, airports, trains and hotels in the area.
- » More than 3 billion dollars' worth of investments have gone into small hotels and residential developments within the last year.
- » International brands invest heavily in the area.

GREAT ASSET

AN OUTSTANDING OPPORTUNITY

Our villas are going to be a great asset for you and your family. Your new home is an excellent spot for family holidays, beach getaways or to live year-round.

This is also a fantastic opportunity for the smart investor, focused on appreciation and cashflow.

The area of Akumal is being rapidly developed, which is only going to bring added value to the investment. This location offers residents an exciting mixture of natural jungles, white sand beaches, a vibrant tourism hub, and multiple shopping centers.
